Accepting paper proposals now

With winter just around the corner, it's time to invite you to the 2022 State of the Federation conference. After another flawless virtual edition hosted by the UNamur last year, we are pleased to announce that this year's SotF will finally take place in person again. The 11th edition of this annual event will be once more an exceptional opportunity to address the latest scholarship in political science in Belgium, and will allow us to reunite after almost three years of Teams, Zoom and other online meetings.

This year, we will meet in Brussels (Muntpunt) on Thursday **December 22**, 2022. As always, we welcome papers dealing with any aspect of politics in Belgium. Topics could include: electoral and party politics, federalism and institutional reform, participation and representation, public policies and administration, or Belgium's international and European politics. Papers could examine all levels of the polity (local, regional, federal, European and international).

Please submit your abstract(s) of max 200 words to sotf@vub.be by **Sunday October 30** at the latest. If you have any questions, please contact us at sotf@vub.be as well.
